## Announcement

### Subject: Measures to prevent the new surge of Covid-19

-----

The Royal Gazette has publicized Regulation No.16 issued under the provisions of Section 9 of the Emergency Decree on Public Administration in Emergency Situation, B.E. 2548 (2005), which states that the new wave of COVID-19 infections has spread widely in many areas with the number of COVID-19 cases in the country increasing at a high rate, and the travelling of people, mostly with asymptomatic coronavirus, from the maximum control zones has worsen the situation and caused the spreading in clusters, the Government thus deems it necessary to issue the regulation and enforce various measures in an effort to remedy this emergency situation,

TPTI hereby notifies all training providers under its umbrella that as of now, the training will still go on as usual. However, in the wake of a new surge of Covid-19, in order to prevent and control potential spread of the disease, and to ensure the safety of all our delegates, TPTI has defined measures for all our training centers to strictly adhere to and to conduct the training courses in strict compliance with this Announcement on **measures to prevent the new surge of Covid-19** as follows:

1. **Measure on screening point before entering the training centers:** past travels must be checked, all delegates as well as the staff of the centers, before entering the facilities, must take body temperature screening which must not exceed 37.5 degree Celsius.
2. **Measures on social distancing:** the number of delegates must not exceed 12 per class, for both theoretical and practical sessions. Spacing in the classroom, canteen and center surrounding shall be as follows:
  - 2.1 **Classroom** - delegate spacing at least 1 meter in every direction;
  - 2.2 **Classroom** - trainer and delegate spacing at least 1.5 meters in every direction;
  - 2.3 **Practical Ground** - delegates for practical session at least 1 meter spacing, and the number of delegates shall be as appropriate;
  - 2.4 **Canteen, student lounge and center surrounding** - Centers' staff and delegate spacing at least 1 meter in every direction
3. **Measures on cleaning and sterilization:** for the classrooms, canteen, center surrounding and training equipment and facilities:
  - 3.1 **Classrooms** - clean every day after class or session;
  - 3.2 **Training equipment and facilities** - clean or change every time after each session;
